Enjoy all of Tokaido's wonderful spots (Central area in Shizuoka Prefecture)

MAGNETS Route

Map of recommended tourist spots is included

MAP

Nihondaira Yume Terrace

Timber-framed bridge connecting the summit of Nihondaira and Mt. Fuji
(Japanese landscape and traditional technique connecting to an octagon)

Mount Fuji World Heritage Site/
Mihonomatsubara pine tree grove
[June 2013]

What is the MAGNETS Route for the central area of Shizuoka Prefecture?

There are tea plantations, steam locomotive excursions, and great spots where you can overlook the Sacred Fuji and shining deep-blue Suruga Bay on the route between Mt. Fuji Shizuoka Airport and Fuji/Asagiri Kogen plateau. The MAGNETS Route is a sightseeing route that connects such attractive tourism resources to each other and attracts tourists like a magnet.
